You gotta tease me now
You gonna bring it on real slow
Yes you do
come on and please me now
I want a just little touch and go
You know what I'm saying

Won't you give a little lips every
come on over here and kiss me girl now
Exclusively I'm gonna take you to the
VIP we're gonna have a private party
girl you know you and me tonight I'm gonna take ya
Let me be your fantasy

I want to step inside you
I got a key to unlock your door (come on girl)
Show me your everything
You know exactly what I'm looking for

Won't you give a little lips every
come on over here and kiss me girl now
Exclusively I'm gonna take you to the
VIP we're gonna have a private party
girl you know you and me tonight I'm gonna take ya
Let me be your fantasy

Take it nice and slow
Take it nice and easy
Gonna ride the moment this time
I need one no one. We gotta going on inside

VIP we're gonna have a private party
girl you know you and me tonight I'm gonna take ya
Let me be your fantasy
VIP we're gonna have a private party
girl you know you and me tonight I'm gonna take ya
Let me be your fantasy
VIP we're gonna have a private party
girl you know you and me tonight I'm gonna take ya
Let me be your fantasy
