Another day
Some other way
I fall along the wayside

Drifting away
And what I need
Inside of me
I'll find a way to say
And push it all away

I'm holding on to anything
I'm floating here in space
I'm reaching out for anyone
To save me from this place
I can't remember anything
I'm lost without a trace again

So far away into the gray
I'm trying to remember
And find the words to say
Another day
Some other way

Another day
Some other Way
I fall along the wayside
Drifting away
And what I need
Inside of me
I'll find a way to say
And push it all away

I'm holding on to anything
I'm floating here in space
I'm reaching out for anyone
To save me from this place
I can't remember anything
I'm lost without a trace again

I'm waiting here for anyone
I'm floating here in space

I'm reaching out for anyone
To save me from this place
I can't remember anything
I'm lost without a trace again
