Here Goes!

Come on take me for a
Here goes nothing
Now there goes all thing

So I'd get up and ask for her name
how and why?
It doesn't matter, it's all still the same
Forever not to be
A sweet love comedy

And I will go wherever it takes me
I don't know
Yeah I will go

I could listen to what you have to say
and drink my self away
I'm all right, just wanna feel your love tonight
Caught within a dream, rich on self-esteem
Contemplating how to be all that we can be

And I will go wherever it takes me
I don't know
Yeah I will go
Whenever
Be the first to know
Be the first to know, yeah

Take me for a ride
c'mon
Take me for a ride
c'mon
Take me for a ride
c'mon
Take me for a ride

Here goes nothing
Here goes nothing

Be the first to know

whoa-whoa-whoa-whoa-whoa
Be the first to know
whoa-whoa-whoa-whoa-whoa
