"The Cinderella song"

Visit "[The Cinderella song](#)" on MotoLyrics.com

I guess it would be easier
if you didn't talk
I'd get to know you
as we kept quiet and walked
you'd wear your sexy shirt
and a complementary killer skirt
and with those seducing red lips
perfectly symmertical waist and hip..

I know you
wanna love you!

I'm holding the shoe of a Cinderella
and you're slipping away
I'm holding the shoe of a Cinderella
in my picture I'd like you to stay
I'm holding the shoe of a Cinderella
and you're slipping away

I guess it would be easier
If you didn't have a face
you and your poetry
on an intellectual killing spree

I know you
wanna love you!

I'm holding the shoe of a Cinderella
and you're slipping away
I'm holding the shoe of a Cinderella
in my picture I'd like you to stay
I'm holding the shoe of a Cinderella
and you're slipping away
and you're slipping away
and you're slipping away
and you're slipping away
and you're slipping away

so this is how we try to make ourselves understood
oh this is how we try to make ourselves understood
so this is how we try to make ourselves understood

so this is how we try to make ourselves

wow-wow-yeah-yeah
come on!
