Miscellaneous
Only For Love
Only for love
I wanna give my heart away
Only for love
I believe I'm gonna make you stay
You've done me... to the key to to my heart and my soul
And you know you're gonna be my emotion
Only for love
I wanna give my heart away
Only for love

What is my love, what I call... love
This kind of love is like a blessing from above, hey
What is my love, what I call... love
This kind of love is like a blessing from above
I work this... jump up
I'm like a mad man...
I say I work all day, I work all night
Never have a argue and never have a fight
And this kind of love makes me feel alright girl,
What is my love,... love, hey
What if I love... love

Nananana nananana
Watch this
Nananana nananana
Watch this

Got the key to your heart that's all
This kind of love makes me lose control
Got the key to your heart that's all
This kind of love makes me lose control
... beauty... no life
Wouldn't have a guide and wouldn't have a wife
Come... all tonight
Got the key to your heart that's all
This kind of love makes me lose control
Got the key to your heart that's all
This kind of love makes me lose control
