i was born frustrated
into a world way too complicated
... but i hate it
cant escape the things inside my mind
even if i had my way this time
id be coming to find you

always following two steps behind
the rythm will got you

Chorus
oh oh oh
with my crazy heart
oh oh oh
with my crazy heart

and i was born frustrated
into a world way too complicated
and i dont know why im hatin
for doing the wrong things

but even if i had my way I'd find
my head and my heart are out of life

Chorus
oh oh oh
with my crazy heart
oh oh oh
with my crazy heart

let me go, dont put me down
i can start, with my crazy heart

beat beat beat beat my crazy heart (x4)

Chorus
oh oh oh
with my crazy heart
oh oh oh
with my crazy heart

let me go, dont put me down
i can start, with my crazy heart
