If you got the time im not a liar  
I'll change your mind into the fire  
got a ten foot reach sugar dont preach  
such a Georgia peach  
but i still wouldn't eat ya

you got the style  
its been a while  
dont you put me on trial  
time's a wasting

you got the time dont be a liar  
gonna change your mind  
cmon and set it on fire

oh oh oh oh  
it isnt static  
it isnt black or white

ooooo  
im a radio  
ooooo  
a split screen romeo  
ooooo  
im a TV you can turn me  
c'mon and turn me on  
c'mon and turn me on

Saturday night its so uptight  
i watch your chemical spill  
under the black light  
follow me down, hush no sound  
it is a sticky situation  
dont turn around turn around

you stop and you stare  
it isnt fair i dont care  
you break a sneaky swear

Saturday night its not quite right  
i need your chemical spill

burning in the black light

oh oh oh oh  
it isnt static  
it isnt black or white

ooooo  
im a radio  
ooooo  
a split screen romeo  
ooooo  
im a TV you can turn me  
cmon and turn me on  
cmon and turn me on

Saturday night its not quite right  
i need your chemical spill  
burning in the black light

oh oh oh oh  
it isnt static  
it isnt black or white

ooooo  
im a radio  
ooooo  
a split screen romeo  
ooooo  
im a TV you can turn me  
cmon and turn me  
cmon and turn me o o o on  
cmon and turn me on
