'Cause life should be beautiful
If it's only for tonight then we can drive out of the city
If it's only for the weekend we can fly out of the country
Do you wanna see the stars shine? We should fly out of
the country
Do you wanna see the sunrise? We should drive out of
the city

If it's only for tonight then we can drive out of the city
If it's only for the weekend we can fly out of the country
Do you wanna see the stars shine? We should fly out of
the country
Do you wanna see the sunrise? We should drive out of
the city

'Cause life should be beautiful
If it's only for tonight
'Cause life should be beautiful
If it's only for the weekend

'Cause life should be beautiful..

'Cause life should be beautiful
If it's only for tonight
'Cause life should be beautiful
If it's only for the weekend
'Cause life should be beautiful
Do you wanna see the stars shine?
'Cause life should be beautiful
Do you wanna see the sunrise?

'Cause life should be beautiful
If it's only for tonight
'Cause life should be beautiful
Out of the city
'Cause life should be beautiful
Do you wanna see the stars shine?
'Cause life should be beautiful
Out of the city

'Cause life should be beautiful.. (x5)
