Yeah I feel better today, I think that shit was just a
phase,
My whole outlook's changed, I've even stopped feelin'
strange.
I can understand why you was mad now,
Why should you be the one who has to loose out, just
cuz I'm on one?
I said "I'm always gonna have shit going on!"

I feel so much better today, chase the bad things away.

I was glad I turned the corner man, cuz I was sick of
feelin rough
I was getting paranoid about the silliest of stuff.
I was at me wit's end pulling my hair out, I'd just about
had enough.
And all I needed was a hug and that little bit of love.

I feel so much better today, chase the bad things away.

And I really do feel so much better, I really do feel so
much better.
And I've gotta find my phone to tell yer,
maybe even write you a love letter.
Eitherway I've gotta tell ya, eitherway I've gotta tell ya,

I feel so much better today, chase the bad things away.

And yeah I really do feel better and it almost don't feel
right,
So im gonna store this thought away for a bit,
And I'm not saying it aynt gonna be hard at times,
Cuz it's always your favourate top you bin,
but think man it could have been your skin.
And I think we might just be OK, but what does it matter
either way,
cuz she's the one that's always there.
Yeah she's the one that always cares.
Yeah she's the one that always there.
Cuz your the one that always cares.
I love ya.

I've gotta find my phone to tell 'er
Ahhh, maybe even write you a love letter.
Ahh, eitherway I've gotta tell ya, eitherway I've gotta
tell ya,
Ahh eitherway I've gotta tell ya, eitherway I've gotta tell
ya,
