Black out the windows
It's party time
You know how I love stormy weather
So, let's all play suicide

The crowd wants you bleeding
The eyes from your head
Get off your knees
You'll be fine-

How wide?
How deep the river?
Black-as dark as night
How long?
How far?
I'll know when I get to the other side

Whatever it is you've stolen
I'll recognize
I'll sympathize
I reckon that I've seen it all-
and start falling-

I breathe in
Unchain myself-
Tonight's the night
No wind, rain, conversation-
Brings me back alive tonight
How wide?
How deep the river black as night?

Black out the windows
It's party time
I see a light
That I recognize...
