I am a fire starter, no ventilation  
Now I'm kneeling  
As the smoke is swallowing

No need for water, darling  
I'm dedicated to a feeling  
I can't help but following

A slow roulette  
A sweet duet  
I can't forget  
I'm trying

Feel the powder burn  
Tonight, tonight  
There'll be nowhere to turn  
It's all right, it's all right  
And I burn  
And I want that feeling again

I hear somebody calling  
And now the fire's in the ceiling  
There's no way to stop it now

A silhouette  
Of sweet regret  
I can't forget  
I'm trying

Feel the powder burn  
Tonight, tonight  
There'll be nowhere to turn  
It's all right, it's all right  
And I burn  
And no one can see me  
And I yearn  
'Cause I want that feeling again

A cigarette  
The fuse is lit  
I can't forget

I'm trying

Feel the powder burn  
Tonight, tonight  
There'll be no self control  
It's all right, it's all right  
And I burn  
And no one can see me  
Tonight, tonight  
And I yearn  
'Cause I want that feeling  
Tonight, tonight, tonight
