As it grooves, your body moves  
Your body starts to get the feeling  
And what you're feeling is happiness

Let your body go as you listen  
Let it flow to your system  
It'll take control of your mind  
And make you move your behind

As it grooves  
You feel the tension  
In the air and now you're hype  
You're getting down 'cause  
The sound is just your type

GN and D-o-s-e  
Sticking it to you right  
So come on, come on and  
Party hearty all night and

[CHORUS]  
Wiggle it just a little bit  
I wanna see you  
Wiggle it just a little bit  
As it grooves  
Wiggle it just a little bit  
I wanna see you  
Wiggle it just a little bit  
As it grooves

Once the DJ lets it spin  
It'll penetrate your skin  
It'll penetrate your soul  
And make you lose control

The D-o-s-e's coming at you  
Invading you like a body snatcher  
Wether if you're drink or sober  
This here groove is  
Taking over your body

And now you're partying like

You never partied before  
You're jumping up and down  
Like crazy on the dance floor

You're getting busy like a bee  
And that's the truth  
I got a feeling there's  
A fire on the roof

[Repeat CHORUS]

I bet you're moving your body  
From side to side  
I bet the groove  
That you're hearing  
Is keeping you satisfied

Dancing by yourself  
Is bad for your health  
So grab a cutie by the hand  
And tell her that you wanna dance  
As it grooves

As it grooves  
You feel the tension  
In the air and now you're hype  
You're getting down because  
The sound is just your type

GN and D-o-s-e  
Sticking it to you right  
So come on, come on  
Party hearty all night and

[Repeat CHORUS]

As it grooves  
As it grooves  
As it grooves

Rotate your waist just a tad  
Better yet, get bad  
Get nasty, get naughty  
And if you wanna crack a forty

But don't drink it  
If you're driving  
Word 'em up, y'all  
I ain't jiving

Just kicking it live and making you

Wiggle it just a little bit

And now you're partying like  
You've never partied before  
You're jumping up and down  
Like crazy on the dance floor

You're getting busy like a bee  
And that's the truth  
I got a feeling there's a fire

[Repeat CHORUS]
