Never came to my mind, and nothings new
I'm falling into grey, into nothing
(Become who I despise)

No one came to my side,
shallow, dirty, and grey
Shadow of a new time,
Become who I despise

I'm Alive
Break me down, wash away
I'm Alive
Don't need to say, I know

I don't understand it, I'm fighting me
I step into the void, now its Flawless
(Because I live, I lie)

Holding onto this life, give me reason to try
I cannot change my own mind
Because I live, I lie

I'm Alive
Break me down, wash away
I'm Alive
Don't need to say, don't leave me this way
I'm Alive
What do you want from me? you'll never get
I'm Alive
Breath it, live it, don't push it on me!

And I won't bother, I don't want to be here
The same as each other

You can say nothing to me!

I was, I know, I'm left here wanting more
To be no more is flawless
I was, I know, I'm left here wanting more
To be no more is flawless

I'm Alive
Break me down, wash away
I'm Alive
Breath it, live it, don't push it on me!

You can say nothing to me
