Just tell me what you've got to say to me  
I've been waiting for so long to hear the truth  
It comes as no surprise at all you see  
So cut the crap and tell me that we're through

Now I know your heart, I know your mind  
You don't even know you're bein' unkind  
So much for all your highbrow Marxist ways  
Just use me up and then you walk away  
Boy, you can't play me that way

Well I guess what you say is true  
I could never be the right kind of girl for you

refrain:

I could never be your woman  
I could never be your woman  
I could never be your woman  
I could never be your woman

When I saw my best friend yesterday  
She said she never liked you from the start  
Well me, I wish that I could claim the same  
But you always knew you held my heart

And you're such a charming, handsome man  
Now I think I finally understand  
Is it in your genes? I don't know  
But I'll soon find out, that's for sure  
Why did you play me this way

Well I guess what you say is true  
I could never be the right kind of girl for you

refrain

Well I guess what they say is true  
I could never spend my life with a man like you

refrain
