this world is wicked  
i fit right in  
we've been waiting for ya boy  
where ya been?  
i don't need no one to love me  
i don't need no one to fetch my water  
come on get your money, child  
it's a fine, fine day  
yeah

i don't love you anymore, baby  
snap my crooked fingers and you blow away  
say you want someone to love you  
say you want a faded memory  
come a little closer, things ain't what they seem to be  
believe, what you see  
nothing else, in the dream  
i can't breathe  
i can't see  
i feel a... yeah

i feel a...

this world is wicked, it's beautiful  
better play both sides  
they'll think you're an animal  
come on get your money, baby  
come on get your one time, one time  
come on get your loving, girl  
it's a fine, fine day  
fine day...
