Insanity breaking in & taking over
Blacking out,
Control is lost
I'm not quite sober.
Shred the trace
Destroy the link to my face
Designed to fail
I incriminate myself.

Silence outside screaming in.....

Break down fight it again
Right now listen my friend
Break down this is your time
I've found a reason to die

Almost home pulling in
& I just woke up
Close my eyes shake this sin
I must be drugged
Seeing clearly for the first
It screams as if i'd never seen reality
Silence outside screaming in...

Break down fight it again
Right now listen my friend
Break down this is your time
I've found a reason to die

Silence outside
Screaming inside
The blade lays into my skin
I won't let it get the best of him
Silence outside
Screaming inside
Just before I begin to bleed
I then wake up it was all a dream

I feel like i'm gonna break,
I'm gonna break down x3

I feel like i'm gonna break
