Yeah, I know sometimes it's real hard,
I know sometimes you want to bend,
Ohh, but if you do, it all comes back,
In the end, just breathe breathe
Just breathe, breathe
We tend to forget that we're all the same,
We all have joy, we all have pain,
Ohh, but if we won't remember,
How beautiful it would be if we breathe, breathe,
Believe, believe,
We tend to forget we're all the same,
We all have joy, we all have pain,
Breathe, breathe,
Oooh, if we would only remember to breathe
How beautiful, how beautiful,
Just breathe, breathe,
Oooooahhh,
Breathe, breathe,
