Donna:
We're going out at eight
To be mutated into slappers

Janet:
You what?

Donna:
Gonna get to someone's bed
By the time Labrini's reached my head
Hot pants from Tesco's

Donna and Louise:
Mmm-mmm-mmm

Donna:
It's where we get our bestest clothes

Donna and Louise:
Yeah, yeah, yeah

All:
Working week is over
Gonna find my Casanova
I wanna be non-conformist
We're goin' out, we're gettin' pissed

Louise:
Donna, you lookin' phat

Janet:
Don't be a bitch!

Donna:
Janet, come on

Janet:
Woo!

Louise:
Get your groovin' on

Get your slaggiest boob tube on

Janet:
OK

Donna:
And come out with us
Don't stay in watchin' Eastenders
There's tons of boys out there

All:
Mmm-mmm-mmm

Donna:
They've not all got ginger hair

Louise and Janet:
Yeah, yeah, yeah

Louise:
Now funk!

All:
Working week is over
Gonna find my Casanova
Condoms in your pocket
Take your muff and then unlock it!

Donna:
Ordering a cab
Hopin' I've not had the driver

Louise:
I can get us in the place
'Cause all the bouncers know my face

Donna:
It's a pound a bottle
Oh, God, yeah
We can drink a lot, so
Let's get out of here

All:
Working week is over
Gonna find your Casanova
We're goin' on the pull now

Donna:
So get your coat, you stupid cow!
