10 years still struggling on  
Them times made me strong  
I know and you know it too  
That's why I ended up here with you  
1995 and it all begun, a decade later  
Ain't close to done  
I know it and you know it too  
That's why I ended up here with you

A man a ticket a cut to the top  
No! It ain't me!

Got a promise at a punk rock show  
Take me to the streets  
All paved in gold.  
Show me heaven? And I'll show you hell  
'Cause we know it all too well  
A deceiver with dreams for sale  
All rise, buy, bow and hail  
I know him, and you know him too  
That's why I ended up here with you

It ain't no doubt, what I'm about  
I'm checking in  
You're checking out

A man a ticket a cut to the top  
No! It ain't me!

See them come  
See them go

10 years still struggling on  
1995 and it all begun  
A deceiver with dreams for sale  
All rise, buy, bow and hail  
I'll take you to the streets  
All paved in gold
