can you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

could you be so foolish?

don't you feel like a fool?

could you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

could you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

could you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

don't you feel like a fool?

could you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

don't you feel like a fool?

could you be so foolish
to believe
that things will turn out
just the way you thought they'll be?

could you be so foolish
to believe
that things will turn out

just the way you thought they'll be?

don't you feel like a fool?
