Remember
when things were still right
And we made
the most of the night

We'd stay up until dawn
The beat would carry us on
Can't believe it's all gone,
and we can't go back

I can't fall to pieces,
hanging on to what he says
I can't go
I won't go
I can't go
I'll never go back

I can't go
I won't go
I won't go
I'll never go back

I can't fall to pieces,
hanging on to what he says
I can't go
I won't go
I can't go
I'll never go back

I can't go
I won't go
I won't go
I'll never go back

'cause I can't fall to pieces,
hanging on to what he says
I can't go
I won't go
I can't go
I'll never go back

I can't go
I won't go
I won't go
I'll never go back
