"Talking To Myself"

You didn't notice
'Till you noticed I was gone
You didn't notice
I've been waiting for so long

It's the same old story
I don't need to read the end
(.)
I don't want wanna cover again

I am talking to myself
Can you hear me above all this noise
Talking to myself
Can you hear me, am I getting through to you?
Can you hear me, cause I'm talking to you

Didn't need me to be in control
I didn't ask you to leave me alone
Come say another word
Come say another word
Don't say another word to me

Cause I am talking to myself
Can you hear me above all this noise
Talking to myself
Can you hear me, am I getting through to you?
Can you hear me, cause I'm talking to you
