I threw my wishes down the well, but the well went dry
Can't seem to get ahead, I'm always three steps behind
The fortune teller said, I guess she wasn't lying
You can't sell your soul these days cause nobody's
buying
I keep on kickin
I keep on kickin
Don't try to tell me what to do
Cause I won't listen
I keep on kickin
They say you better go to church, you better stay in
school
Always listen to your mama, never ever break a rule
I can't live inside your lies, I think they're kinda dumb
You can point your finger, but I'm only having fun
I keep on kickin
I keep on kickin
Don't try to tell me what to do
Cause I won't listen

I keep on kickin
I keep on kickin
If you think you'll hold me down
Just keep on wishing
I keep on kickin
This one's for the kids, who are barely getting by
Never growing up, who never even tried
I'd like to make a toast, to those who criticize
You can kiss my ***, cause until the day I die
I keep on kickin
I keep on kickin
Don't try to tell me what to do
Cause I won't listen
I keep on kickin
I keep on kickin
If you think you'll hold me down
Just keep on wishing
I keep on kickin
