Cold sweat fever even if you don't need her
She'll make you a believer when she comes in shaking
like
Woah-oah-oah, woah-oah-oah
Won't see it coming, you won't start running
And once she's gone and done it, you know you'll never
say
No-oh-oh, no-oh-oh

I'm down and don't want up

(Woah oh) She's here for the wrong reasons
(Woah oh) I'll be the last one leaving
(Woah oh) She's here for the wrong reasons
(Woah oh) I'll be the last one leaving

Watch her work her magic, she'll leave you feeling
tragic
Have you itching like an addict just begging for a hit
singing
Where did she go? Where did she go?

I'm down and don't want up

(Woah oh) She's here for the wrong reasons
(Woah oh) I'll be the last one leaving
(Woah oh) I said, she's here for the wrong reasons
(Woah oh) I'll be the last one leaving

(Woah oh) She's here for the wrong reasons
(Woah oh) I'll be the last one leaving
(Woah oh) Yeah, she's here for the wrong reasons
(Woah oh) I'll be the last one leaving
The last one leaving
Yeah, I'm the last one leaving
