Mausam ne kaha phoolon se, phoolon ne kaha khusbu
se

Khusbu ne kaha bhawaron se, bhawaron ne kaha
shabnam se

Reh jaayengi yeh nishaniya, rahe na rahe hum
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam

la la la la la la

Reh jaayengi yeh nishaniya, rahe na rahe hum
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam

Tamanna jaga ke tune hame jeena sikhaya
Tamanna jaga ke tune hame jeena sikhaya
tanha thi har lamha main tune armano ko jagaya
yeh silsilay yeh dastaan kabhi hongy na khatam
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam

Ek nazar kiya mili badle hai sare nazare
Ek nazar kiya mili badle hai sare nazare
Do kadam kiya chale mil gaye humko sahare
Yeh aarzoo yeh justuju kahin ho na mera bharam
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam

Reh jaayengi yeh nishaniya, rahe na rahe hum
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam
aa jeele ek pal mein sau janam
