--MALE 1--

(O rabba o rabba, mujhe tu bacha le
Mujhe pyaar hone ka darr hai, chhupa le) - 2
Voh phoolon si naazuk haseen ek ladki
Chali aa rahi hai dupatta sambhaale
Rabba rabba, haaye o rabba - 2

--FEMALE--

O rabba o rabba, mujhe tu bacha le
Mujhe pyaar hone ka darr hai, chhupa le
Voh madhosh paagal deewaana sa ladka
Chala aa raha apne dil ko uchhaale
Rabba rabba, haaye o rabba - 2
Main soch rahi hoon khadi khadi
Meri aankh hai jab se ladi ladi
Yeh kaun hai jo mere khwaabon mein
Ab chhede aake ghadi ghadi

--MALE 1--

Chehre pe hai zulfein adi adi
Aankhen hain surmai badi badi
Na haar gale ka ban jaaye
Yeh lagti hai motiyon ki ladi
Ho oh oh oh oh
O rabba o rabba, mujhe tu bacha le
Mujhe pyaar hone ka darr hai, chhupa le
Voh phoolon si naazuk haseen ek ladki
Chali aa rahi hai dupatta sambhaale

--CHORUS--

Rabba rabba, haaye o rabba - 2
Ladke waale yeh dil leke aa gaye
Ladki waale yeh dil leke aa gaye

--MALE 2--

Tell you a story of the London boy who fell in love
She was a pretty pretty kudi, uh, Indian girl
Both of them like each other very much heart in heart
They didn' t know the romance was just about to start
The beautiful pari was the Indian girl
Straight down from heaven for the Indian babu in the

world

There was a magic and a fragrance of love in the air

--MALE 1--

Rangeen fiza mein pali pali
Khushboo se mahekti kali kali
Mera chain churaake chali chali
Kahin shor na ho jaaye gali gali

--FEMALE--

Hansti muskaati khili khili
Mausam ke sur se mili mili
Apne sapnon mein dhali dhali
Main to hoon kunwaari bhali bhali
Oh oh oh oh oh oh oh
O rabba o rabba, mujhe tu bacha le
Mujhe pyaar hone ka darr hai, chhupa le
Voh madhosh paagal deewaana sa ladka
Chala aa raha apne dil ko uchhaale
Rabba rabba, haaye o rabba - 2

--MALE 1--

Rabba rabba, haaye o rabba - 2

--ALL--

Rabba rabba, haaye o rabba - 2
