PRETTY LITTLE FIEND... BY UFO JIM

I saw your wounded heart  
Filled with daggers of grief  
I saw you cring - when ya asked me  
To "Take the sting out-please!"

Now you put your lower lip out at me  
And pretend I wasn't there  
In your hour of need!

We had a silly arguement  
And now ya hate my face...  
I always knew you were crazy  
Now in a state of stoned disgrace

I caught ya sneaking your boyfriend  
Out of my house  
'Cause you're such a pretty  
Little Fiend!

You're such a Pretty, Pretty, Pretty  
Little Fiend!  
You're such a Pretty, Pretty, Pretty  
Little Fiend!

So- I left half my liquor bottle by the door  
And wrote a note to explain my broken heart once more  
I know you were born to torture me  
'Cause you're such a Pretty Little Fiend!

You're such a Pretty, Pretty, Pretty  
Little Fiend!  
You're such a Pretty, Pretty, Pretty  
Little Fiend!
