{*church bells ring in background*}
In todays music news: the ever controversial tupac shakur has just released another album under the alias makaveli. Music insiders are running wild trying to rearrange other artist Street dates, in fear of a wipeout in retail interchart movement. Although no one knows the exact cause of the new album; Resources tell me a number of less fortunate rappers Have joined together in conspiracy to assassinate the character Of not only mr. shakur, but of death row records as well. Nas, the alleged ring leader of it, is furious at tupac Excuse me makavelis verbal assault On mobb sleep, notorious p.i.g., and several other new york rappers Jay-z, from hawaiian sophie fame, big little whatever And several other corny sounding motherfuckers Are understandably shaken up by this release. The question everbody wants to know is -- Whyd they get this nigga started? Tupac, rather makaveli, was not available for comment But released this statement:

[makaveli]
Its not about east or west
Its about niggaz and bitches, power and money,
Riders and punks. which side are you on?

{*gun cocked, six shots, bullets hit ground*}
These niggaz is still fuckin talkin?
You niggaz still breathin? fuckin roaches, aight
Aight, it's the raid for your cockroaches

(all day, everyday)
Its the raid for you punk motherfuckers
(the pump in yo ass)
This is it nigga! killuminati style

(outlaw lifestyle)
Makaveli the don, solo shit - bring it!

[makaveli]

Allow me to introduce first {*gunshot fires*} makaveli
the don
Hysterical, spiritual lyrics like the holy quran
Niggaz get shook like 5-0
My forty-five guns next to me when we ride, for survival
Money makin plans, pistol close at hand, swollen
pockets
Let me introduce the topic, then we drop it
Expose snakes cause they breath freely, see me ride?
Located world wide like the art of graffiti
I think Im tougher than nitti, my attitude is shitty
Born on a dopefiends titty.. huh
In every city you'll find me
Look for trouble right behind me
My outlaw niggaz down to die for me, knahmean?
I hit the scene niggaz duckin from my guillotine stare
Im right there; my every word, a fuckin nightmare
Get me high, let me see the sun rise and fall
This for my dogs down to die for yours
Extreme venom, no mercy when we all up in em
Cut em down.. to hell is where we send em
My whole team, trained to explode ride or die
Murder motherfuckers lyrically, and Im not gon cry
Me - a born leader never leave the block without my
heater
Two big pits, I call them my bitch nigga eaters
And not a whimper til Im gone
Thug life runnin through my veins so Im strong
(ha ha ha)

Bye bye bye, lets get high and ride
Oh, how do we do these niggaz but Im not gon cry
Im a bad boy killa, jay-z die too
Lookin out for mobb deep, nigga when I find you
Weak motherfuckers don't deserve to breathe
How many niggaz down to die for me? yeahh-yeayy!
West coast ridah, comin right behind ya
Shouldve never fucked wit meeee
I want money hoes sex and weeeed
I wont rest till my road dawgs freeee, bomb first!

[chorus]

We, bomb first when we ride
Please, reconsider fo you die
We aint even come to hurt nobody tonight
But it's my life or yo life, and ima bomb first
We, bomb first when we ride

Please, reconsider fo you die
We aint even come to fight tonight
But it's my life or yo life, and ima bomb first

[e.d.i. amin]

For so many days and some many ways weve been
duckin strays
They delivers, but we still some bad boy killers
Got nuttin to lose, I gots no where to go
I only got one home, see me stranded on death row
With outlawz, it's makaveli, be the general
And I be a soldier on a mission
Sent to do, what you'll never do
And that's ride for the cause
Yes I'll die for the cause
Ya best believe if ima leave this bitch
Yo Im dyin with yours
Kamikaze, sicker than a muhfuckin nazi
Got a little question for that nigga that made paparazzi
If you aint in this rap game, for the motherfuckin cash
mayne
Then what is your motherfuckin purpose? none can
serve us
E.d.i. amin born worthless
That's until the day, I decided to bomb first beach!!

[young noble]

Your style wack as ever, like you was rockin patent
leather
Causin massive terror, yall niggaz lack, you aint
thorough
Half rapper half drug kingpin
Yer tellin fairy tales dunn
King of new york, like you the motherfuckin one?
But Im from jerz and we don't play that shit
From the claire down to north bricks, all my niggaz
flippin chips
Gettin rich, even though it's hard
Tryin to creep through these halls and brawls
Without scarred by a revolv
With no warnin signs, cause yo my man took five
Now Im the young one with the nine, ready to put in my
time

[makaveli]

Shoot first, look at they head burst bleedin
Don't want to hear no shit this evenin, believe me
We, bomb first when we ride
Please, reconsider fo you die
Gs, and thug niggaz on the rise
Plan-plot-strategize, and bomb first

We, bomb first when we ride
Please, reconsider fo you die
Gs, and thug niggaz on the rise
Plan-plot-strategize, and bomb first
