Lee had a heel
name no one man
too hot to hoot
upll up if I pull up
level noon level
murder for a jar of red rum

won't lovers revolt now

gate manname tag
if I had a hi fi
goddam mad dog
laid on no dial
oh cameras are macho
party trap
kool race car look
reno loner

won't lovers revolt now

was it a cat I saw
rats live on no evil star
go hang a salami
I'm a lasagna hog
no evil live on
go dog go dog

won't lovers revolt now
