Oh what a splendid story  
but I've heard it before  
to me it's a mystery  
that's somehow still, well je t'adore  
but really

you've heard it before  
you say that you're sanctuary

and you are  
not quite like all the rest  
not quite like all the rest  
not quite like all the rest  
but you are

taste extraordinary  
on the tip of your tongue  
there are things that may testify  
that you're not unkind and that I am one  
but feel  
you've heard it all before  
ten times or more  
you say that you're sanctuary

and you are  
not quite like all the rest  
not quite like all the rest  
not quite like all the rest  
but you are

not quite like all the rest  
not quite like all the rest  
not quite like all the rest

not quite like all the rest  
not quite like all the rest  
not quite like all the rest

but you are  
not quite like all the rest  
but you are

not quite like all the rest  
but you are  
not quite like all the rest  
but you are....
