Aaaahhh....

Flying high
Over the sky
I saw an angel
She reached out for me
All I could see
Was an angel
x2

When I dreamed
I could see an angel watching over me
Oh angel
I saw an angel

When I laid me down to sleep
I prayed the lord my soul to keep
Oh angel
I saw an angel

In my dreams, in my dreams
In my dreams
We will be together forever
Flying higher
x2

Flying high
Over the sky
I saw an angel
She reached out for me
All I could see
Was an angel
x2

Ooooooh
I saw an angel
Ooooooh
I saw an angel

Flying high
Over the sky

I saw an angel
She reached out for me
All I could see
Was an angel
x3

I saw an angel
