gurans ko phed muni samjhana ko chhaya
jahan gayani kina lagchha malai timro maya.....2

ekbaar ko matra ho yo hamro juni
maya dina kina hunchhau nisthuri timi
Aajai gayi buddha subba lekhun naam baansaima
kati parkhi basoon timi aaune aasaima
gurans ko phed muni samjhana ko chhaya
jahan gayani kina lagchha malai timro maya.....2

lok katha ko rajkumar mai timro lagi
timro saath paayen bhane udchhu baadal maathi
bhariyechha timrai mayale mero yo chhaati
jasari ni paayi haalchhu pancha kanya bhaki
gurans ko phed muni samjhana ko chhaya
jahan gayani kina lagchha malai timro maya.....2
