Sweet days
Sweet love
Sweet dreams
This town
Ain't what
It seems
In my heart
You girl
Are queen
My girl
You so
Very Keen
What was I thinking, when I left you, (ou)
Something must have happened, that wasn't true, (not
true)
I wasn't thinking
Material things
Just had a little too much to drink
I had a little too much to drink, babe
Just had a little too much to drink
All year
All week
All day
I love you
That's all
I say
Seems like I'm
Going through

Tough times
Hard for me
To make up
My mind
What was I thinking when I left you, (ou)
People must have said things that were not true, (not
true)
I wasn't thinking
Blameless things
Just had a little too much too drink
I had a little too much to drink, babe
Just had a little too much too drink

To much
I had a little too much too drink
Sweet days
Sweet love
Sweet dreams
Me girl
Ain't what
I seem
What was I thinking when I left you, (ou)
Don't remember all the things I do, (I do)
I wasn't thinking
Righteous things
Just had a little too much to drink
I had a little too much to drink, babe
Just had a little too much to drink
To much
I had a little too much to drink
