Somebody's been kissing my baby,
since I've been gone.
My baby don't love me like he used to now.

Somebody's been hugging my baby,
since I've been gone.
My baby don't hug me like he used to now.

That's why I'm evil!
I don't know what to do, but I'm evil.
I've been thinking 'bout you, I got the hoogie doogie
doogie,
Got the boogie woogie blues.

I'm evil,
I don't know what to do, but I'm evil.
I've been thinking 'bout you, I got the hoogie doogie
doogie,
Got the boogie woogie blues.

Ohh, caught him talking in his sleep
and I cried, Lord, I cried.
He talked on all about how he's stepped out
I thought I would die.

Gonna by myself a brand new shotgun,
show my baby just how wrong he's done.
Oh lordy, got to do it now.

(instrumental)

Caught him talking in his sleep
and I cried, Lord, I cried.
He talked on all about how he's stepped out
ohh,I thought I would die.

Gonna by myself a brand new shotgun,
show my baby just how wrong he's done.
Oh lordy, lordy!
Oh lordy, lordy!
Got to do it now.
