[2Pac]

Get on yo' knees nigga

Get on yo' knees and pray

Huh, increase the doses, bustin whoever closest

Thug livin, hell or prison, never losin my focus

I'm makin money moves mandatory needs

In a discussion my past records tell a story

Picture niggaz we rushin and still bustin

til the cops come runnin, duck in abandoned buildings

Ditchin my gun, homeboy the motherfuckin villain

I live the lifestyles of drug dealers, but now legit list

So I laugh til I cry, when the law come get me

No baby momma drama, nigga miss me, why plant

seeds

in a dirty bitch, waitin to trick me, not the life for me

Livin carefree, til I'm buried - and if they dare me

I'm bustin on niggaz until they scurry, I'm clearly

a man of military means in my artillery

Watchin over me through every murder scene

From adolescence, to my early teens, thought we was

gonna die

Sellin dope to all the fiends, at times I wanna cry

And still, we try to change the past, in vain

Never knowin if this game'll last, feelin ashamed

of cocaine, the product of the devil, am I sellin my

soul?

Got tired of small time livin, niggaz tellin me no

I got MINE, FUCK THEM OTHER SUCKERS, that's the

mentality

Jealous-ass bustaz, make it hell for hustlers

Chorus: 2Pac (and harmonizing vocals) \*repeat 2X\*

Lord, help me change my ways

Show a little mercy on judgment day

It ain't me, I was raised this way

I never let em play me for a busta, make it hell 4 a

hustler

[E.D.I. Amin]

Now in these last days and times I takes mines so

serious

Gotta get that paper quickly and escape the sickness

If I fail, then I suffer, bein broke is hell 4 a hustler

So I stay strugglin and jugglin with all the might I can

muster

Since a youngster, been money hungry, moved in  
One's five's and ten's was funny money  
So I sets my sights bigger, four figures or mo'  
Real nigga fo' sho', out in the cold for dough  
What you thought? War is war, lost homies in plenty  
battles

Last two years shed plenty tears, and I'll send plenty at  
you

Let me catch you slippin, you soft niggaz is outta here  
In case you forgot, we on the same shit that got us here  
[Young Noble]

Yo, to every step I take, every foul I make  
Every jail I break, every mill' I ate  
Head to head, whoever hustle hardest  
On the block duckin charges, nigga fuck the sergeant  
He got a job, all my bottles got a pinch of coke  
Listen tho' I'm missin dough I gotta gather mo'  
Hell naw, dead blocks with red tops but now a nigga  
sell words

for all my young thugs in jail in Jerz  
They made it hell 4 a hustler, I bails high as fuck son  
Dyin luck none supply us with much guns  
I buck one, just to let you know that I can touch ya  
Slangin cracks or raps, still hell 4 a hustler

Chorus  
[2Pac]

No insanity plea for me, I ride the beef til I burn  
Censor me and void your kids from the lessons I've  
learned

And in turn I'm hostile guess you could call me anti-  
social

Niggaz shakin like they caught the holy ghost when I  
approach em

Try to politic, before I smoke em, like Sun Zu  
Niggaz do unto these snitches, before it's done to you  
And if the cops come arrest me in the evening  
best believe they comin for my dogs in the mornin  
And if I die by a slug, the death of a true thug  
Tell me will my niggaz mourn me? Gettin blowed out  
High, watch me murder the bird, before he testify  
Strikes, walkin close to my third, I live a trouble life  
And if you dream be a part of my team

From Long Beach to Queens, drug dealers to ex-fiends  
Keep yo' eyes on the prize, nigga watch for bustaz  
Either heaven or jail, it's still hell 4 a hustler

Chorus  
[2Pac]

This is how we ride  
Not knowin if we'll live or die  
Catch me rollin with my motherfuckin guns on the side

In case of drama, I'm the first to break wild til they all  
die  
This is how we ride  
Not knowin if we'll live or die  
Catch me rollin with my motherfuckin guns on the side  
In case of drama, I'm the first to break wild  
until they all die, Outlaw  
Yes (change my ways) yes  
The Black Jesuz guide us through this  
Weary weary weary weary  
Only God can save us  
Nuttin but boss players
