(come on)

[Tupac]

Perhaps i was addicted to the dark side
Somewhere inside my childhood i missed my heart die
And even though we both came from the same places
The money and the fame made us all change places
How could it be through the misery that came to pass
The hard times make a true friend afraid to ask, for
currency
But you could run to me when you need me, I'll never
leave
I just needed someone to believe in, as you can see
It's a small thang through and true
What could I do? Real homies help ya get through,
And coming new, he'd do tha same thang if he could
Cuz in the hood true homies make you feel good
And half the time we be acting up call tha cops
Bringing the cease to tha peace that was on my block
It never stop, when my mama ask me will I change
I tell her yeah, but it's clear I'll always be tha same
Until the end of time

[Chorus: RL]

So take, these broken wings
I need your hands to come and heal me once again
(Until the end of time)
So I can fly away, until the end of time
Until the end of time
Until the end of time

[Tupac]

Please Lord forgive me for my life of sin
My hard stare seem to scare all my sister's kids
So you know I don't hang around tha house much
This all night money making got me outta touch, shit
Ain't flashed a smile in a long while
An unexpected birth worst of the ghetto childs
My attitude got me walking solo
Ride out alone in my low-low
Watching the whole world move in slow-mo
For quiet times disappear listen to the ocean

Smoking Ports think my thoughts
Then it's back to coasting
Who can I trust in this cold world
My phony homey had a baby by my own girl
But I ain't trippin I'm a player I ain't sweating him
I sex his sister, had her mo' good like a Mexican
His next of kin, No remorse it was meant to happen
Besides rapping the only thing I did good was
scrapping
Until the end of time

[Chorus x2]

[Tupac]
Now who's to say if I was right or wrong?
To live my life as an outlaw all along
Remain strong in this planet full of playa haters
They conversate but Death Row full of demonstrators
And in tha end drinking hennessy made all my enemies
envy me
So cold when I flow eliminating easily
Fall to their knees, they plead for their right to breath
While beggin me to keep the peace (haha)
Well I can see close into achieve
In times of danger don't freeze time to be a g
Follow my lead I supply everything you need
An ounce of game and the trainin to make a g
Remember me, as an outcast outlaw
Another album out that's what I'm about, more
Gettin raw till the day I see my casket
Buried as a g while tha whole world remembers me
Until the end of time

[Chorus]
