Turn it up loud  
Hahaha, ahahaha, hey man  
You a little sucker for love, right?  
Word up, hahahahaha

I shoulda seen  
you was trouble right from the staaaaart,  
taught me so many lessons  
How not to mess with broken hearts, so many  
questions  
When this began we was the perfect match, perhaps  
we had some problems but we workin at it, and now  
the arguments are gettin loud, I wanna stay  
But I can't help from walkin out just a little way  
Just take my hand and understand, if you could see  
I never planned to be a man it just wasn't me  
But now I'm searchin for commitment, in other arms  
I wanna shelter you from harm, don't be alarmed  
Your attitude was the cause, you got me stressin  
Soon as I open up the door with your jealous questions  
Like where can I be you're killin me with your jealousy  
Now my ambition's to be free  
I can't breathe, cause soon as I leave, it's like a trap  
I hear you callin me to come back, I'm a sucka for love  
... that's right, sucka for love

Chorus: repeat 2X

What you won't do, do for love  
You tried everything, but you don't give up

Just when I thought I broke away and I'm fellin happy  
You try to trap me say you pregnant and guess who the  
daddy  
Don't wanna fall for it, but in this case what could I do?  
So now I'm back  
to makin promises to you, tryin to keep it true  
What if I'm wrong, a trick to keep me holdin on  
Tryin to be strong and in the process, keep you goin  
I'm bout to lose my composure, I'm gettin close  
To packin up and leavin notes, and gettin ghost

Tell me who knows, a peaceful place where I can go  
To clear my head I'm feelin low, losin control  
My heart is sayin leave, oh what a tangle web we  
weave-acapo
