Uhh,

Hit them with a lil' ghetto gospel

Yeah! Ma Ghetto Gospel!

Ghetto, Ghetto, Ghetto, Ghetto we livin

[verse one]

2-Pac

If I could recollect before my hood dayz

I'd sit and reminisce, nigga and bliss on the good dayz

i stop and stare at the younger, my heart goes to'em

They tested, it was stressed that they under

We never really went threw that coz we was born B.C u

n me b4 crack

In our days, things changed

Everyone's ashamed to the youth cuz the truth looks
strange

And for me it's reversed, we left them a world that's
cursed, and it hurts

cause any day they'll push the button

and yall condemned like Malcolm x and Bobby Hunton,
died for nothin

Don't them let me get teary, the world looks dreary

but when you wipe your eyes, see it clearly

there's no need for you to fear me

if you take the time to hear me, maybe you can learn to
cheer me

it aint about black or white, cuz we're human

I hope we see the light before its ruined

my ghetto gospel

[chorus]

Akon

Whoever said that this struggle would stop today

a lot of niggas dead or locked away

Teenage Women growing up with aids

Cause thats the life when your

Living in the (ghetto)

or eating in the (ghetto)

Or sleeping in the (ghetto, ghetto)

Thats the life when your

Living in the (ghetto)

or eating in the (ghetto)

Or sleeping in the (ghetto, ghetto, ghetto)

[verse two]

2-Pac

Tell me do you see that old lady aint it sad
Living out a bag, but she's glad for the little things she
has

And over there there's a lady, crack got her crazy
Guess she's given birth to a baby
I don't trip and let it fade me, from outta the frying pan
We jump into another form of slavery
Even now I keep discouraged
Wonder if they take it all back while I still keep the
courage

I refuse to be a role model
I set goals, take control, drink out my own bottle
I make mistakes, I learn from everyone
And when its said and done
I bet this Brotha be a better one
If I'm upset, you don't stress
Never forget, that God hasn't finished with me yet
I feel his hand on my brain
When I write rhymes, I go blind, and let the lord do his
thang

But am I less holy
Cuz I choose to puff a blunt and drink a beer with my
homies
Before we find world peace
We gotta find peace in that war on the streets
My ghetto gospel

[chorus]

Akon

Whoever said that this struggle would stop today
a lot of niggas dead or locked away
Teenage Women growing up with aids
Cause thats the life when your
Living in the (ghetto)
And eating in the (ghetto)
Or sleeping in the (ghetto, ghetto)
Thats the life when your
Living in the (ghetto)
or eating in the (ghetto)
Or sleeping in the (ghetto, ghetto, ghetto)
