(I get around)

Aww, yeah...
(round and round)
(round it go)
I get around...
Still clown with tha underground
When we come around

(round and round)
(round it go)
Stronger than ever

Back to get wreck,
All respect to those who break they neck
To keep they hos in check
Cuz, hos, they sweat a brotha majorly and I don't know
why, your girl keeps paging me.
She tell me that she needs me
Cries when she leaves me
And every time she sees me, she squeeze me.
Lady take it easy...
Hate to sound sleazy, but tease me,
I don't want it if it's that easy.
Ehh yo bus it, baby got a problem saying bye bye
Just another hazard of a fly guy.
You ask why, it don't matter
My pockets got fatter,
Now everybodys looking for the ladder.
And aint no need in be greedy,
If you wanna see me
Try a beeper number baby when you need me
And I'll be there in a jiffy
Don't be picky. just be happy with this quicky
But when you learn, you can't tie me down
Baby doll, check it out
I get around
Chorus
Whatcha mean, ya don't know...

(round and round)
(round it go)

I get around

The underground just don't stop for hoes

I get around
(round and round)
(round it go)
I get around

Hey yo shock, let them hoes know...

Now you can tell from my everyday fits, I aint rich
So cease and desist with them tricks (tricks)
Im just another black man caught up in the mix (mix)
Trying to make a dollar out of fifteen cents
(a dime and a nickel)
Just cuz Im a freak
Don't mean that we could hit the sheets
Baby, I can see, that you don't recognize me.
Im shock-g, the one who put the satin on your panties
Never knew a hooker that could sham me.

I get around.

What's up love, how you doin? (alright)
Well Ive been hangin sangin, tryin to do my thang
Oh, you heard that I was bangin
Your home girl you went to school with
That's cool, but did she tell you about her sister
And your cousin thought I wasn't
See, weekends were made for michelob
But it's a monday, my day,
So just let me hit it, yo
And don't mistake my statement for a clown
We can keep in the down low long as you know
That I get around.

Chorus
(round and round)
(round it go)

2pacalypse now, don't stop for hoes
I get around

(round and round)
(round it go)

(round and round...)
Why I aint called you (hahaha.. please)

Fingertips on the hip as I dip
Gotta get a tight grip, don't slip

Loose lips, sank ships, it's a trip,
I love the way she licks her lips
See me jockin,
Put a little twist in her hips
Cuz Im watchin
Conversations on the phone
Til the break of dawn,
Now we all alone, why the lights on?
Turn em off, time to set it off
Get you wet n soft,
Somethings on your mind, let it off.
You don't know me,
You just met me,
You wont let me,
Well if I couldnt have it, (silly rabbit)
Why you sweatin me?
Its a lot of real gs doin time
Cuz a groupy bit the trooper told a lie.
You picked the wrong guy,
Baby if you're too fly
You need to hit the door,
Search for a new guy.
Cuz I only got one night in town,
Break down or be clowned,
Baby doll are you down?
I get around
Chorus
(round and round)
(round it go)
(round and round)
(round it go)

(repeated till end of song)
