[Intro]

[Providence] Ooooh Ooooh [RasDaveed] Tell me I will
be there

Tell me I will be there

Tell me I will be there

Tell me I will be there

Yeah....

[Verse 1] [Providence]

If there be pain

All you have to do is call on me

If there be pain (hmm hmmm)

All you have to do is call on me

To be with you (to be with you)

And before you hang up the phone

You will no longer be alone

Together we can never fall

Because our love will conquer all

[RasDaveed chants]

[Verse 2] [Providence]

If there be pain

Reach out for a helping hand

If there be pain

And I shall hold you wherever I am

Every breath I breathe will be into you

For without you here my joy is through

My life was lived through falling rain

So call on me if there be pain

[Outro] [Providence & RasDaveed El Harar]

If there be pain

Every breath I breathe will be into you

For without you here my joy is through

My life was lived through falling rain

So call on me if there be pain

If you need me

If you need me

Ooohh ooooh
