"In The Dephts Of Solitude"

I exist in the dephts of solitude
pondering my true goal
Trying 2 find peace of mind
and still preserve my soul
CONSTANTLY yearning 2 be accepted
and from all receive respect
Never compromising but sometimes risky
and that is my only regret
A young heart with an old soul
how can there be peace
How can I be in the dephts of solitude
when there R 2 inside of me
This Duo within me causes
the perfect opportunity
2 learn and live twice as fast
as those who accept simplicity
