(feat. Fatal Hussein)

[Girl:]

I mean what?

People going crazy over this?

[Tupac: talking]

It don't stop

Keep goin'

It don't stop

Keep goin'

[Verse: Tupac]

Now i've been called crazy

To fade me is not possible

I give a fuck

What you thought or who you brought with you

A Bad Boy killer

Biggie annihilator

They wonderin why he breathin but bitches die later

Better laugh now, then cry when I come to getcha

I hit you with 2 glocks and leave you with scar tissue

On some loco shit

My pistols smoke yo shit

Lets go for dolo bitch

And watch me flow yo shit

Mr. Makaveli movin' pieces like tellikenises

It's like a chess game lets play with real pieces

Shots rang and niggas brains were spilt

Another Bad Boy affiliator nigga was killed

I hit the funeral and bust at his folks

And leave the scene like a shadow in a blaze of smoke

It don't stop keep goin'

[Chorus:]

Don't Stop, Don't Stop, Don't Stop

Keep Goin'

Don't Stop, Don't Stop, Don't Stop

Keep Goin'

Don't Stop, Don't Stop, Don't Stop  
Keep Goin'

Don't Stop, Don't Stop, Don't Stop  
Keep Goin'

Don't Stop, Don't Stop, Don't Stop  
Keep Goin'

[Hussein Fatal:]

Shit, still grindin for the chips  
I come from the clear but you can find him in the bricks  
Me, I was the diamond in the sticks  
And him, he hatin and  
Still whinin' 'cuz i'm grindin' with his bitch  
Out shinin' with the sixth  
I'ma blind him with the fifth  
He still sellin nicks  
What he tryina throw a disc?  
I promise you'll be lyin on your strip  
'Cuz copyin' my style  
I can whip any 9 you can get  
No crimes on the strip  
Just dimes of the pit  
No gimmicks to my music, you be lyin' when you spit  
Outta line you get gripped  
I'm gonna find you a ditch  
Right next to your OG, do your time with a snitch  
And I tell 'em all the time you a bitch  
A real life pussy, hit the strip, go and find you a dick  
Man this nigga outta line who is this?  
I'm tempted to put his mind on his kicks  
Let the nine do the trick...yeah

[Chorus: till fade]
