f/ Outlawz  
[Tupac]  
Cause I hate to spend  
My life, my life, my life, my life  
Duckin one-time! (Lost Soul)  
How it start, how it start  
Started off with, runnin from copses duck and hide  
from helicopters  
We open fire, who can stop us  
Livin the life of trife juveniles, hopin for righteous  
Gettin twenty-five to life, if the judge don't like us  
In my clearest pictures, I see authorities itchin to get us  
ATF state feds scandalous bitches  
I wasn't promised to it, wasn't bitter or sweet  
See if a, nigga don't hustle then the nigga don't eat  
Only streets livin do or die circle complete  
Repetitive motions and felons in the rush for cheese  
Please understand my history a man of many acts  
Livin Thug Life, comin equipped, with many gats  
Maybe I was just a Lost Soul, trapped in time  
Livin in between life, and the cracks were blind  
Even though we had hope for dreams that never came  
Yet and still we all feel pain  
Just wait until rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time! Stranded in the County in the worst  
way  
Hell of a way to spend my twenty-first birthday  
Born in the ghetto as a street thug  
It's for the neighborhood and weed spots that we love  
Lost Souls...  
Lost Souls nigga, for my homeboys that passed on  
Words from the mind of a Lost Soul  
Just wait until rain turn to sunshine  
Cause I hate to spend, my life, my life, my life, my life  
Duckin one-time!  
[Young Noble]  
My brother Sean, first on my list, he stuck with  
a three-five when he get out would I be dead or alive  
He taught me the rules so much, but still In Thugs I  
Trust

When in danger never hesitate to keep my fuckin trap shut

My Mom Dukes got a little bit of Thug in her

The Devil loves sinners crackheads and drug dealer

Sometimes I feel like the streets are takin over

Never stayin sober, the brain over and over backtrack

My stack's fat, I used to take new

One love to my crew ayyo this one's for you

[Tupac]

R.I.P., rest in peace to Moo Brown

Know what we gotta do baby, one-time

Just wait until rain turn to sunshine

Cause I hate to spend, my life, my life, my life, my life

Duckin one-time!

(repeat 2X)

One-time! One-time! One-time!

[Idi Amin]

I was born twenty-two years ago, yesterday

But see I saw no reason for me to celebrate, let me

demonstrate

Entered the world from out a poisonous womb

Heroin bein consumed already predicitin my doom,

soon

to be one of the many misguided

Always the first one on the block to be done tried it and

liked it

Lost before I had a chance to find my way

Now I travel through life, not knowin the time of day

Crime for pay, I'm on my way, but don't know, where

I'ma end up

I swear to God, it's just a setup

And these are the words from the mind of a Lost Soul

(I'ma Lost Soul)

[Tupac]

Just wait until rain turn to sunshine

Cause I hate to spend, my life, my life, my life, my life

Duckin one-time!

(repeat 8X)

All of y'all, keepin y'all in health

To all of y'all, keepin y'all in health

Just to see you smile and enjoy yourself

(repeat 2X)

For all my Doggz, keepin y'all in health

Just to see you smile and enjoy yourself

(repeat 3X)
