(Tupac)

Now of course I want peace on the streets

but realisticly

painting perfect pictures ain't never work

my mysery was so deep

couldn't sleep through all my preasures

my quest for cash

I learned fast

you survive voilent measures

memorys of adalicent years

their was unity

but after puperty we roll over

to our community

so many bodies dropping

its got to stop

I want to help

but still I'm stepping

keeping my weapon

must protect myself

promise of a better tomorrow

ain't never reaching

plus my teachers were to petrified in class to teach me

sipping thunderbird

and grape kool-aid

calling Earl since my stomach was empty

it suduced me to fuck the world

watch my lil homiez

lose there child hood to guns

nobody cries no more

cause we all die for fun

so why you ask me if I want peace

if you can't grant it

niggas fighting across the whole planet

so we can never be peace

(Chorus)

We'll never be peace, or all we all just headed for

doom, still

casumed

by the peace, and i'll know there never be peace, thats

why I keep my

pistol when i walk the streets cause there never be  
peace  
(Marvelouz)  
No time to rest  
they stressed out  
I can't remember the days my homie was here  
now a days we live in fear  
the stuggle is still here  
so now who's grabbing there strap  
who's getting bucked wild  
representing the generation of killers  
when I was a child had many dreams  
reality kept me and my homiez stressing  
tyring to raise my baby girl to be the strongest  
know when I'm doing wrongest  
I never had a bright day
