[What's up boo?
Swear I'll never call you bitch again
You ain't fucking with me remember I ain't hate you
I swear I'll never call you bitch again
I just wanna say that uh, I fucking apologize
I didn't mean to call you a bitch
I'll never call u bitch again

Damn

[Verse 1]

Gave my homey 90 days for domestic violence
I try to picture myself, in his position but remain silent
I get to thinking bout the shit we been through
We close like kin, but you remain my friend too
This life of sin, that got the both of us in trouble
But you you always stay down for a nigga so that's why
I love you
Reminiscing needing tissues
Fighting over childish issues, swear I can't live with you
but without you everyday I miss you
Word on roll you hold my pistol
My gangsta bitch that you always in the mood for love
that's why I'm sleeping with you
Though not the man of your dreams, my planted
schemes to be rich like a king
and live my life trouble free
I see, yesterday I called you names, and played games
on your mind
I promise that I'll change in time
It's a complicated world so girl just be a friend
I swear I'll never call u bitch again

And that's my word

[Chorus]

We came too far
To throw it all away
(I swear I'll never call you bitch again, believe me, ugh)
We came way too far pretty thing yeaaaah

(I swear I'll never call you bitch again, hey)
Do it all away, do it all away baby ...

[Verse 2]

I wake up early in the morning, at the crack of dawn
Nigga still tired so I'm yawning, and now I'm gone
Tryin' to get my money on strong so an early riser
Out before them other guys, that's the way to profit
every time
Can't get too close, my enemies, they see ghosts
They envy me, plus we be beefing with the east coast
Two casualties, got stopped in traffic
Had a warrant, so they gaffled me
But while I'm gone, watch my business and my back for
me
My enemies think they got me crossed they ain't
knowing
Ain't no love for player haters where you cowards
going
You paid bail got me out of jail, home again
I promise not to leave you on your own again
Cristal corks are popped, romantic thoughts are
dropped
It's so frantic but don't panic cause we forged to top
I found a partner and a ridah, a woman and friend
I swear I'll never call u bitch again
Believe Me

[Chorus]

We came too far
(I know, I know)
To throw it all away
(All that is dead don't change each other)
(I swear I'll never call u bitch again, believe me)
We came too far pretty thing, yeahh
(I know what time it is)
(You just gotta give a nigga time to grow up you know
what I'm saying)
(That was way back then)
(I Swear I'll never call u bitch again, hey)
Do it all away, do it all away baby ...

Your my nigga, my best friend
I'm never gonna call u, bitch again
Yeah, yeah, yeah

[Verse 3]

Witness evil men do, all this shit I been through

Never meant to hurt you, can we make this work boo?
I know you been feeling pain, things are not the same
Waiting to exhale while I'm sitting in the country jail
Keep your head up, cause things are getting better
My cell mate shed tears off your last love letter
Told him you would find a friend so keep your eyes
peeled
Sorry if I cuss, but it's the suffering that I feel
Who can I trust, and if I bust, will she snitch?
Even though your not the type to trip, sorry if I called
you bitch
You showed me the definition of feminine
The difference between a pack of bitches and black
women
I see the board for a third time hope to see you soon
Pictures of us kissing in the living room in the nude
Thanks for being there much more than a friend
I swear I'll never call u bitch again
Believe Me

[Chorus]

We came too far
To throw it all away
We came way too far pretty thing yeaaaah
(I swear I'll never call you bitch again)
Together, together

We came too far
To throw it all away
(I swear I'll never call u bitch again, believe me)
We came way too far pretty thing yeaaaah
To throw it all away, throw it all away baby

Through all my ups, and downs
You always, stayed around, stayed around
