[Verse 1: 2pac]

Sometimes its hard to wake up in the morning
Mind full of demons, I don't wanna hear them anymore
Got me heartbroken, fine, so many babies screaming
Cause they seeing destruction before they a see
human being
So they start smoking weed, we'll never get our day
Until we learn to pray, keep our families in shape
Cause they all broke. and why do ghetto birds die
Before we learn to fly, some bodies else's child caught
in guns
Smoking weed, can all make a change
So I'm told, but I haven't seen the change unfold,
I keep hoping please, if you prefer to breathe,
Communities in need of people that will lead
Keep your eyes open, I can only say I'll try
Until the day I die,[until the day I die], I promise to be
wise
With my heart open, greed, brings only misery
A way to tragedy, so I stay sucker free
Only a few chosen, rise (rise)
My ghetto queen, rise (rise)
Don't be afraid to try (try)
Too many of us died to the door to open wide
My brother be wise, stay focused on the prize
Though everybody dies
We can continue growing,one day at time

[Chorus:]

We can continue growing,one day at time

[Verse 2: 2Pac]

Can't close my eyes cause all I see is terror
I hate the man in the mirror
Cause his reflection makes the pain turn realer
Times of Armageddeon, murder in mass amounts
In this society where only gettin the cash counts
I started out as a beginner
Entered the criminal lifestyle became a sinner
I make my money and vacate, evade prison
Went from the chosen one to outcast, unforgiven
And all the Hennessy and weed can't hide, the pain I

feel inside
You know, it's like I'm livin just to die
I fall on my knees and beg for mercy, not knowin if I'm
worthy
Livin life thinkin no man can hurt me

[Chorus: x3]
We can continue growing, one day at time
