"Alright now, here we go"

[Verse One: 2Pac]

Tell me, how many real motherfuckers feel me? I  
smoke a blunt  
And freak the funk until these jealous motherfuckers  
kill me  
I'm out the gutter, pick a hero  
I'm 165 and staying high til I die, my competition's zero  
Cause I could give a fuck about you, better duck  
Or I'll be forced to hit yo ass up I give a fuck  
I'm sick inside my mind, why you sweatin me?  
It's gonna take an army full of crooked ass cops to  
come and get me  
Niggaz know I ain't the one to sleep on, I'm under  
pressure  
Gotta sleep with my piece, an extra clip beside my  
dresser  
Word to God I've been ready to die since I was born  
I don't want no shit but niggaz trip and yo it's on  
Open fire on my adversaries, don't even worry  
Better have on a vest aim for the chest and then you  
buried  
It's a man's world, niggaz get played, another stray  
Hope I live to see another day, hey  
I'm getting sweated by these undercovers, who can I  
trust?  
Got my mama stressin thinkin it's a drug bust  
Gotta get paid but all the drama that's attached  
We living a Drug Life, Thug Life, each day could be my  
last  
Will I blast when it's time to shoot? Don't even ask  
That's the consequences when ya livin, fast  
Six bricks of tricks, for my niggaz, I gotta come up  
And recoup, you keep the dope just bring me six  
figures  
Is it a bust? I hear the sirens, run for cover  
Over the fence and open fire

"Alright now, here we go"

[Verse Two: 2Pac]

These motherfuckers on my ass I'm in traffic, will it be tragic?

I'm comin round the corner like I'm Magic

Doin ninety on the freeway, and hittin switches

In a high speed chase with these punk bitches

Don't turn around I ain't givin up, cause they don't worry me

Pussy ass bitches better bury me

Runnin outta gas time to park it, I'm on foot

We in the hood, how the fuck they gon catch a crook?

Haha

I got away cause I'm clever

Went to my neighbors for a favor now you know players stick together

I watch the scene from the rooftop, spittin loogies

At the coppers that persue me, beotch!

I be a hustler til it's over, motherfucker

Open fire on you bustas

"Alright now, here we go"

[Verse Three: 2Pac]

Don't try to follow me, I'm headed outta state

I gotta pay my fuckin bills, so I'm transportin weight

Change my plates, pick up my nigga, and now we rollin

Droppin keys like they stolen, hehe

Tell me who do you fear? I'm outta town until the coast is clear

Enough dope to last a year

They got me running from the police, nowhere to go

With the lights out, rollin down a dirt road

But I ain't goin alive, I'd rather die than be a convict

I'd rather fire on my target

I hit the corner doing ninety, ahhhh shit!

Them bitches right behind me

They take a shot and hit my fuckin tires

Now, jump out the car then I open fire, sucka!

Hahahaha, Thug Life!
