(Man interviewing 2pac)

Between you and Biggie was like who gon who gon who  
rules the the entertainment industry basically i was like  
this is like a fuckin

election you know what im sayin

(2pac talking) it is it is that me and biggie situation was  
smaller than that me and biggie situation was like

(chorus)

You know, I wonder if they'll laugh when I am dead

Why am I fighting to live if I 'm just living to fight?

Why am I trying to see when there ain't nothing in  
sight?

Why am I trying to give when no one gives me a try?

Why am I dying to live if I'm just living to die?

(B.I.G verse 1)

Check it, i grew up a fucking screw up

got introdused to the game got an ounce and fucking  
blew up

choping rocks over night

the nigga Biggie Smalls trying to turn into black Frank  
White

we had a codedress to change our description

two cops is on the milkbox missing

showed they codes know they got stepped on

a fist full of bullets a chest full of teflon

run from the police picture that

nigga im too fat

i fuck around and catch an asthma attack

thats why i bust back and dont face me

when he drop take his glock and im swayze

celebrate my escape

sold a glock

bust some weight

lay back i got some money to make

madafucka

(chorus)

You know, I wonder if they'll laugh when I am dead

Why am I fighting to live if I 'm just living to fight?

Why am I trying to see when there ain't nothing in

sight?

Why am I trying to give when no one gives me a try?

Why am I dying to live if I'm just living to die?

(2pac verse 2)

it's on me

but still im having memories of high speed

when the cops crash

as i laugh pushing the gas

while my glock blast

we was young and we was dumb but we had heart

in the dark will we survive through the bad parts

many dreams is what i had

and plenty wishes

no hesitation in extermination of these snitches

envious bitches they still continue to purse me

a couple movies now the hole worlds trying to screw  
me

even the cops trying to sue

so what can i do

but stay true

sippin twenty two's of brew

and now the media is trying to test me

got the prest asking question

trying to stress me

missery is all i see

that my mind state

my history with the police's shake the crime rate

my main man had two strikes

slip got arrested and flipped

he screamed THUG LIFE and empty a clip

got shot runnin from the police

(chorus)

You know, I wonder if they'll laugh when I am dead

Why am I fighting to live if I 'm just living to fight?

Why am I trying to see when there ain't nothing in  
sight?

Why am I trying to give when no one gives me a try?

Why am I dying to live if I'm just living to die?

(biggie talking)

I was

shocked at everything

but i wans't more shocked of

him dying

i was more shocked at him

Pac is a strong dude you know

i know dude know what im sayin

he always gettin shot or shot at  
he gon' pull through this one again  
make a few records about it  
and it's goin to be over  
you know what im sayin  
but he when he died i was like....  
you know what im sayin  
but even though we was going thru our drama  
i will never wish death on nobody
