(What y'all want?)  
Unconditional Love (no doubt)  
Talking bout the stuff that don't wear off  
It don't fade  
It'll last for all these crazy days  
These crazy nights  
Whether you wrong or you right  
I'm a still love you  
Still feel you  
Still there for you  
No matter what (hehe)  
You will always be in my heart  
With unconditional love

[Verse One:]

Come listen to my truest thoughts, my truest feelings  
All my peers doing years beyond drug dealing  
How many caskets can we witness  
Before we see it's hard to live  
This life without God, so we must ask forgiveness  
Ask mama I got this urge to die  
Witness the tears falling free from my eyes  
Before she could reply  
Though we were born without a silver spoon  
My broken down TV, show cartoons in my living room  
(hey)  
One day I hope to make it  
A player in this game  
Mama don't cry, long as we try  
Maybe things change  
Perhaps it's just a fantasy  
A life where we don't need no welfare  
Shit with our whole family  
Maybe it's me that caused it  
The fighting and the hurting  
In my room crying cause I didn't want to be a burden  
Watch mama open up her arms to hug me  
And I ain't worried bout a damn thang, with  
unconditionl love

[Chorus: 2x]

In this game the lesson's in your eyes to see  
Though things change, the future's still inside of me  
We must remember that tomorrow comes after the  
dark  
So you will always be in my heart, with unconditional  
love

[Verse Two:]

Just got the message you've been calling all week  
Been out here hustling on these streets, ain't had a  
chance to speak  
But you know, with you and me it's on G  
We could never be enemies, cause you been such a  
good friend to me  
Where would I be without my dogs  
No wonder why when times get hard  
Cause it ain't easy being who we are  
Driven by my ambitions, desire higher positions  
So I proceed to make Gs, eternally in my mission  
Is to be more than just a rap musician  
The elevation of today's generation  
If could make 'em listen  
Prison ain't what we need, no longer stuck in greed  
Time to play and strategize, my family's gotta eat  
When we make somethin out of nothing  
No pleasure in the suffering, neighborhood would be  
good  
If they could cut out all the busting  
The liquor and the weed the cussing  
Sending love out to my block  
The struggle never stops (unconditional love)

[Chorus]

[Verse Three:]

I'll probably never understand ya ways  
With everyday I swear I hear ya  
Trying to change your ways while gettin paid at the  
same time  
Just had a baby with the same eyes  
Something inside, please let me die these are strange  
times  
How come I never made it  
Maybe it's the way the played it in my heart  
I knew one day I gotta be a star  
My hopes and all my wishes  
So many vivid pictures, and all the currency  
I'll never even get to see

This fast life soon shatters  
Cause after all the lights and screams  
Nothing but my dreams matter  
Hoping for better days  
Maybe a peaceful night, baby don't cry  
Cause everythang gonna be alright  
Just lay your head on my shoulder  
Don't worry bout a thang baby  
Girl I'm a soldier (huh)  
Never treated me bad, no matter who I was  
You still came with that, unconditional love

[Chorus 3x until fade]
