(2pac)

Got me up against the fence, back against the wall
Get to actin like a fool, cause ain't no justice for the
dogg

Got to take it out on all y'all, better read the papers
all my homies goin crazy baby only God could save us.

Got my mind on currency hurry I ain't worried

It's a gangta party, so Bad Boy gettin buried

Snoop Dogg, wht they fantasize? (Snoop) (fantasize)

When we ride, it's a must adversaries die.

(Snoop Doggy Dogg)

Yes, yes y'all not Short but Snoop Dogg

And you know it's like that y'all

I'm so smooth about my paper, check it just how it's
done

I'm servin any on a platter Snoop Dogg Coleone

Coleone, now do you know what that mean?

A Teflon Don to this hip-hop game, super supreme

It's like what happen can happen but will it stop

that won't happen I'm feelin good about the mission for
jackin

Yo patnah, can you feel me?

Why these fools, tryin ta kill me?

It's so hard to stay focused on my eyes and prize

but if I don't, the Dogg won't survive.

(2pac)

We ballin in my opinion eternal was wild wheel spinnin

One simple a minute is represented for five minutes

Two of the livest wanted dead or alive

We riders inventers because we ain't quiet and watch
the G's ride

Two of Amerikkaz most, straight out the West Coast

Bow down fool this is Death Row. (Snoop) (For Life)

Been waiten way too long, fresh out the pen, now it's on

C'mon Snoop Dogg, time to bone.

(Snoop Doggy Dogg)

Ain't nuttin changed too down to hang I slang a bang
with a rhyme

Me and my homey Pac trippin Death Row on knobs

Strong survivor by Eastside of DPG'z

Still creepin bumpin through the hood, always involved
in the streets

(2pac) (Westside!) It's Doggy Dogg homey, did you forget who I was...

Now take a look through the eyes of a G
and just ride to the rhythm of a gangsta beat.

(2pac)

All my homies tellin me, ain't no love for a real G

You straight cowards all you playa haters kill me

Throw up your hands if you feel me

We gettin dollars, homey Hollar If You Hear Me

One time for my comrades doin bad lockdown

Fresh out bust the top and bounce drop down

Can you visualize perfection?

Cause every rider in my set labelled a vet best in their profession

Don't hold your breath, stick to Smith and Wesson

Steady study your lessons to keep the crowd guessin

(Snoop Doggy Dogg)

Straight gangsta, y'know?

Money to be made, situations get deep

Niggaz always tryin ta creep

But I know what time it is

Gangstas, yeah yeah
